

February Newsletter

What a way to enter February! A blizzard to shut down schools and the centre. Thank you for understanding that once schools shut down, it affects many of our staff with school aged children forcing us to close as well.

Covid 19 Update:

On Thursday January 27, the Government of Saskatchewan removed some of the restrictions for the province of Saskatchewan. Please see the attached sheet of our new protocols. We will not be notifying parents via email about cases, unless there is an out break. You can see all illnesses in the Centre by checking the Parent Board as parents are to report communicable diseases/ infections to us and we are to relay it to the remainder of the centre.

We would like to welcome back Leah, our cook back from maternity leave. As well as Sabre and Jordyn who will be joining our team at WCC. Please check the updated staff wall, we also plan to send out meet the staff information shortly.
